

Gala Casino reveals hot new slot Hawaiian Treasure

%%date%% - Gala Casino have added another hot slot to their ever-increasing collection, this time with a tropical theme, called Hawaiian Treasure.

Hawaiian Treasure is a nice laid back and easy going slot, keeping with the mellow Hawaiian culture, decorated with flowers, fish and Tiki masks and backed by relaxing music and the sounds of the sea.

The slot itself has 5 reels and 10 paylines, with up to 1,000 times the line bet to be won, and a bonus game where players can win up to 12 free spins by getting a Tiki mask on reels 1, 3 and 5.

GalaCasino.com is keen to offer their players a great variety of different themed slot games for every kind of preference and mood. The online casino giant also aims to provide members with a fresh new selection of games on a regular basis, with Hawaiian Treasure just one of many Gala Casino has planned to release.

New players to Gala Casino can get a 100% up to £200 Welcome Bonus when making their first deposit, which means whatever the player deposits, they'll get the same amount as a bonus to play with, up to £200.

There's also a 50% up to £50 Second Deposit Bonus available for those keen to carry on spinning at GalaCasino.com.

And for larger deposits, members have the chance to cash in on up to £1,000 in bonus money with the £1,000 VIP High Roller Deposit Package, which offers a bonus of up to £500 on the first and second deposits.

Slot lovers can also earn double Comp Points, which can be cashed out for merchandise, bonus funds and other rewards, just for playing certain games as part of the regular slot promotions.
